Volta Single LED Pendant Light by Estiluz

The Volta Single pendant is a minimalist and contemporary light, designed by Nahtrang Studio. The pendant features a slim cylindrical metal lampshade that has a PMMA diffuser to conceal the light source for a glare-free glow.

The Volta pendant lamp has a concentrated illumination, acting almost as a spotlight which is perfect for hanging over tables and surfaces in kitchens, dining areas and hospitality venues. The pendant light is available in a black or satin gold colour finish, a stylish choice for effective lighting.
