PRODUCT DESCRIPTION

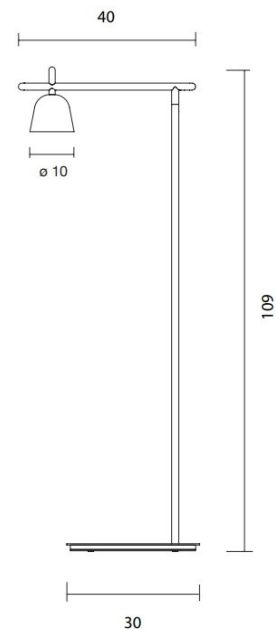

Parachilna Lighto P LED Floor Lamp

This LED floor lamp was created by Spanish designer Jaime Hayon. In this design, Hayon adds an elegant flourish to a classic design. He achieves this by taking a classic bell-shaped shade, that has been an iconic feature in the lighting industry for decades, and adding a luxurious finish to them. The shades are available in a golden glossy finish and a black chrome finish, both of which highlight the iconic shape of the shade. The bell-shaped design is ideal for downward light as it provides the user with a generous outpouring of light whilst also being glare-free.

This lamp also features an industrial-style matt black structure that delicately holds the shade up with its sturdy steel arm. The shade also houses an integrated LED light source that can be dimmed using the dimmer located on the cable. This ability to dim the light with ease, therefore, allows you to adjust the ambiance within your room. Ideal for living spaces or cosy areas of your home, this Lighto P floor lamp is understated yet stunning.

PRODUCT SPECIFICATION

- Light Source:** 8W, 2700K, 630 lumens
- IP Code:** 20
- Dimming:** In line Dimmer included on cable.
- Dimensions:**
 - Ø10cm shade
 - 40cm width
 - 109cm height
 - Ø30cm base
