Zile Pendant Light by Luceplan

The Zile pendant is a beautiful and stunning light that was designed by Archirivolto for Luceplan. Seeking to put sustainability and beauty at the forefront of the product, this pendant light features a biodurable diffuser made of 80% renewable sources and a metal shade which ensures a long-lasting life. The pendant lamp emits a downward directed glow which is soft and concealed by the diffuser.

The Zile pendant lamp is available in 4 colours and 2 sizes, allowing you to mix and match if desired to arrange in rows or clusters. Perfect for hanging over tables and surfaces the larger size can also be used for bigger areas. A gorgeous and elegant light, the Zile can be used in a wide variety of interiors, whether at home or in a professional setting.
