PRODUCT DESCRIPTION

Designer: Matteo Ugolini

Karman Black Out Outdoor Pendant Light

The Black Out pendant uses weaved fibreglass that creates the form of a shade. This Karman outdoor pendant light is available in a white opaque finish. Both of these finishes demonstrate the beauty of the fibreglass material and how it has been manipulated into a functional yet stunning outdoor lampshade. When switched on, this Black Out pendant creates a pattern of diffused and exposed light that shimmers through the small gaps in the shade. The shade is also available in a small and large size, this allows you to pick the perfect Black Out pendant for your home and outdoor place.

Designed by Matteo Ugolini, the founder and creator of the Karman brand, says he has no muse or master's as he strives to move away from contemporary designs and instead design things that he truly likes. This has led to the Black Out collection.

PRODUCT SPECIFICATION

Light Source: 1 x Max 23W E27 (Excluded)

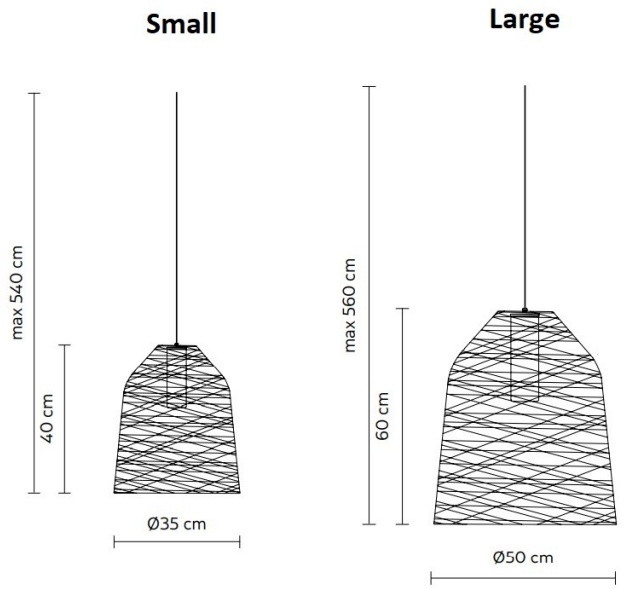

IP Code: 65

Dimming: Dimmable via mains phase dimming.

Dimensions:

Small:
Ø35cm shade
40cm shade height
