Donna 7 Pendant Light by Pholc

Inspired by fabrics used in high fashion, designers Nina Jobs & Stina Sandwall translate the form of a soft textile to a hard metal lampshade. The shade has a beautiful cylindrical silhouette which hangs delicately down to provide a useful illumination. Perfect for using in multiple, arranged in clusters or rows, the Donna 7 pendant can be used in a wide variety of settings.

The pendant lamp comes in seven stunning colour finishes, linen, ink black, autumn leaves, blush, midnight blue, amber green and chestnut - which all have a subtle, minimalist feel. The Donna 7 pendant light emits a downward directed light which is wonderful for hanging over tables or surfaces, and you can also match it with the bigger Donna 18 pendant light to create a spectacular light display.
