PRODUCT DESCRIPTION

Light Attack Moonlight Large LED Spotlight

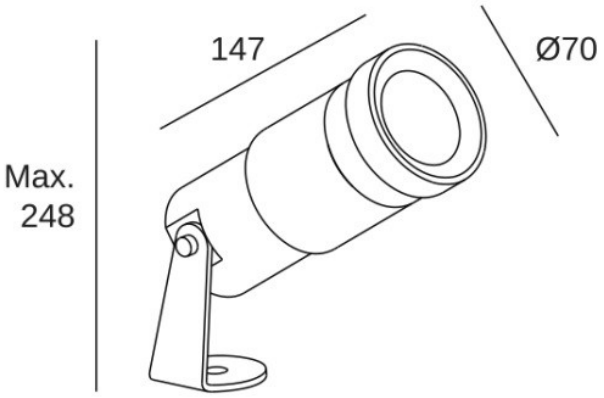

This handy spotlight emits a warming 3000K beam of light that is ideal for lighting your way in gardens and outdoor settings. The powerful 6W LED light will fill your outdoor space with a warming glow that will brighten the dullest of days.

Available in a grey or brown colour, you have the choice to make these lights camouflage themselves into the setting or show them off. The hardy aluminium body and stand have an IP rating of 66, which makes it outdoor-friendly and a reliable fixture in your exterior spaces.

Please Note: This light is fitted with an integrated driver so it can be wired straight into the mains.
