Donna 18 Pendant Light by Pholc

The Donna 18 pendant was designed by Nina Jobs & Stina Sandwall for Pholc and features a rounded metal lampshade. The shade resembles a pleated fabric, inspired by textiles used in high fashion and translated to a hard material. This effect creates a stunning and chic aesthetic which can be used in a multitude of settings.

The Donna 18 pendant lamp is available in five gorgeously subtle finishes, linen, blush, ink black, autumn leaves or midnight blue adding a touch of minimalism to your interior. Emitting a downward directed light, the pendant can be used in multiple to create a welcoming atmopshere or hung over tables for effective illumination. You can also pair the Donna 18 with its smaller size the Donna 7 pendant light, to create a varied yet consistent look.
