PRODUCT DESCRIPTION

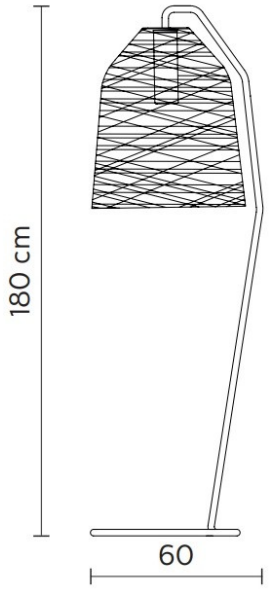

Designer: Matteo Ugolini

Karman Black Out Outdoor Floor Lamp

The Black Out floor lamp was designed by the creator and founder of Karman, Matteo Ugolini. The design of this lamp features a fibreglass shade that is available in an opaque finish. These two shades allow for an ambient outpouring of light that creates the perfect atmosphere in your outdoor space. The gaps created in the shade by the weaved fiberglass provide glimmering glimpses of light that shine through. This lattice of fiberglass demonstrates the creativeness and uniqueness of Matteo Ugolini's designs. Ugolini says his designs aim to 'excite and create emotion', this is beautifully achieved with the Black Out outdoor floor lamp. This floor lamp by Karman would be an ideal addition to any outdoor space, from a terrace to a large lawn space, providing a glimmering ambiance. Pair this Black Out floor lamp with the Black Out outdoor pendant.
