PRODUCT DESCRIPTION

Designer: Santiago Roqueta

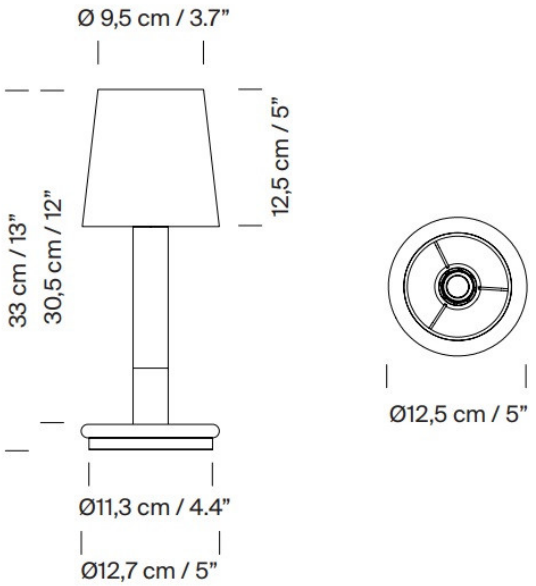

Santa & Cole Basica Minima Bateria Portable Table Lamp

Designed by Spanish designer Santiago Roqueta, the Basica Minima Bateria Portable Table Lamp is the latest addition to the Basica Minima collection and is the first portable lamp in the range. With a rechargeable Lithium battery, this unique portable table lamp can hold up to 14 hours of charge and allows you to bring soft ambient light wherever you go. With two lumen intensities, the touch dimmer provides a precise and efficient way of controlling the atmosphere within a space. The included USB contact charger makes charging the Basica Minima Bateria quick and easy, by simply placing the lamp on the contact pad, in 4 hours it will be fully charged.

The design of this Santa & Cole table lamp uses stunningly natural materials, from the birchwood stem to the natural ribbon shade. This use of muted colour and subtle materials makes it easy to place the Basica Minima Bateria in any interior or exterior environment. This new member of the Basica Minima collection is portable, practical, and a stunning addition to your home. Place this lamp on a bedside table, desk space or reading nook or even pick it up and take it outside to brighten up your outdoor spaces.
