Santa & Cole Tatu Pie LED Floor Lamp

The modern design of the Santa & Cole Tatu Pie LED Floor Lamp uses two eye-catching colour finishes to draw attention to the bold and striking design that uses angles and straight lines in a creative and functional way. The red and white finishes can either blend beautifully into a monochrome interior with a white finish or act as a stunning statement piece in a room that starts a conversation with the red finish.

The top of the Tatu Pie floor lamp can be manoeuvred to any angle and direction that you prefer. The efficient LED light source can easily be directed and dimmed from the adjustable top section. Create the perfect ambiance and bring a modern quirky design to your interior. The Tatu Pie Floor Lamp is ideal for living areas or hallways, this surprisingly powerful LED light can easily brighten up any space.
