PRODUCT DESCRIPTION

Designer: BIG

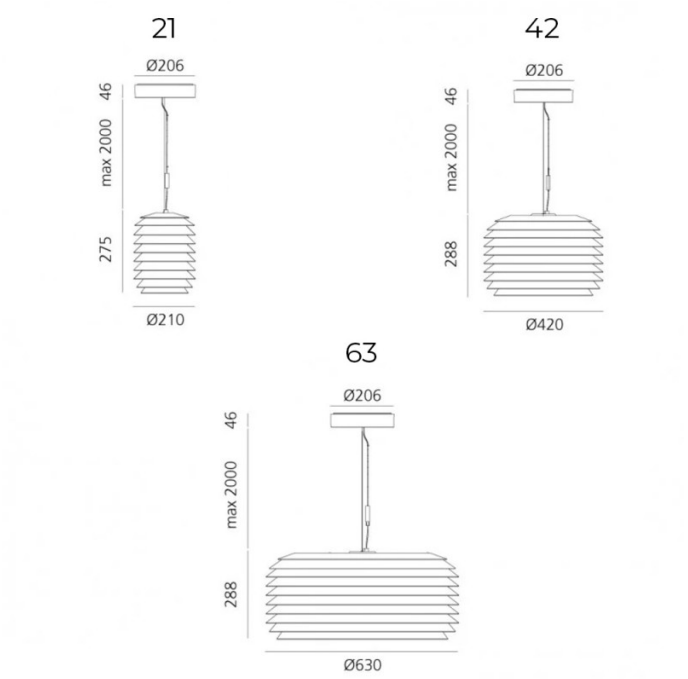

Artemide Slicing LED Outdoor Suspension

Based on the silhouette of the popular Gople Collection, the Artemide Slicing Outdoor Suspension is a contemporary suspension, defined by its clean, geometric form. Horizontal mental slats throughout the shade provide an effective contrast between solid material and space. When illuminated, the overlapping slats interact with light, creating a soft, glare-free glow that surrounds the pendant.

The Slicing Outdoor Suspension is available in three sizes: 21, 42, and 63, reflective of the diameter of each shade. With an IP rating of 64, the Slicing is suitable for use outside. The controlled light output makes it ideal for enhancing the ambience in outdoor settings such as a garden or a restaurant patio. Display with other pieces from the Slicing Collection for a cohesive, contemporary display that adds a gentle illumination with subtle sophistication.

PRODUCT SPECIFICATION

Light Source:	**Suspension 21:** 12W, 3000K, 1800 Lumens **Suspension 42 and 63:** 26W, 3000K, 2149 Lumens
