PRODUCT DESCRIPTION

Designer: Broberg & Ridderstråle

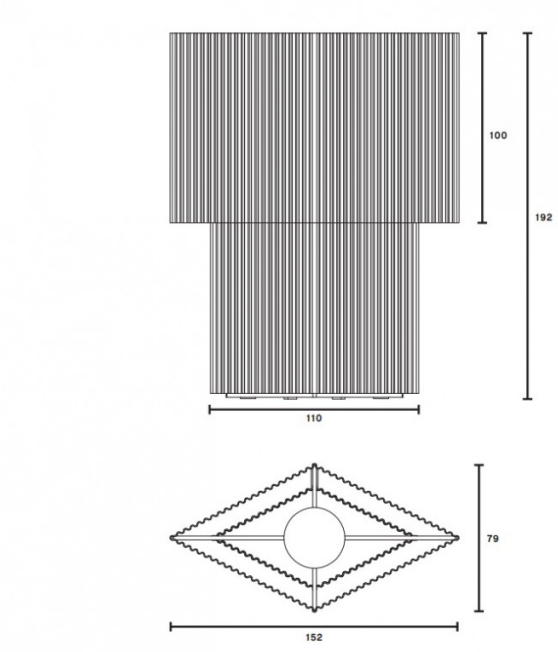

Pholc Romb Mini Portable Table Lamp

The Romb Mini Portable is a stylish piece of design that was inspired by two corrugated cardboard shapes stacked on top of the other. The sleek design is available in four finishes, blue stone, cumin, cotton, and vanilla. This table lamp will sit comfortably on a bedside, dining table or shelf as it looks at home in a cosy house as well as a hotel lobby. The Romb mini by Pholc takes its simplistic inspiration and elevates it to new levels as the light source gently seeps its way out from the two square structures into the space.

The included USB cable allows you to charge the lamp and use it for up to 40 hours on 10% brightness, 12 hours on 40% brightness, and 3 hours on 100% brightness. This three-step dimming option not only enables the lamp to provide light for even longer, it also gives you the choice of the perfect brightness for your space. Use this table lamp inside or out to create the ideal ambiance.
