PRODUCT DESCRIPTION

Designer: Seppo Koho

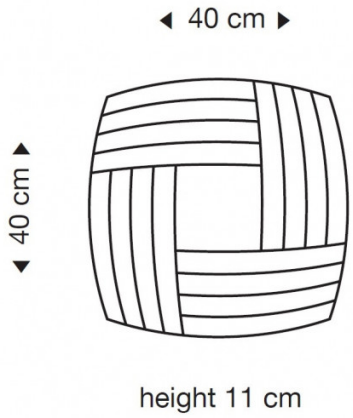

Kuulto Small 9101 LED Ceiling / Wall Light

The Secto Kuulto 9101 is a compact version of the larger Kuulto 9100, offering the same versatile design in a smaller format. Ideal for more intimate spaces or for creating grouped arrangements in larger interiors, the Kuulto 9101 features a handcrafted wooden shade with a natural criss-cross pattern that exudes warmth and elegance.

Handcrafted by skilled Finnish artisans from PEFC-certified Finnish birch, the Kuulto 9101 is available in four finishes: natural birch, black or white lamination, and walnut veneer. The built-in LED light source, concealed by an acrylic diffuser, ensures a gentle, ambient glow perfect for bedrooms, hallways, or commercial settings.
