PRODUCT DESCRIPTION

Designer: Estudi{H}ac

### Estiluz Alfi LED Ceiling / Wall Light

The Alfi wall/ceiling lamp was designed by Estudi{H}ac, a design atelier founded by José Manuel Ferrero. The studio worked alongside Estiluz to produce the Alfi, wanting to create a minimalist, stylish light that can be applied across many situations and applications. What resulted was an elegant and refined fixture, using the beautiful combination of opal glass and metal as a core design characteristic.

The Alfi ceiling/wall lamp features a glass lampshade which is paired with either a matt gold or black metal base, creating a chic look and a warm illumination. The Alfi can be installed on both walls and ceilings for versatility and can be used in multiple for larger spaces or alone in small spaces for an effective and ambient glow.

The Alfi LED ceiling/wall light is also available with a cap over the glass shade for indirect illumination or with a cap at an angle for a directed glow. Please contact us for more information and prices.

PRODUCT SPECIFICATION

Light Source: 3W, 2700K, 350 Lumens

IP Code: 20

Dimming: Non-dimmable.

Dimensions: Shade: Ø11cm
Depth: 9.3cm

Ø 110 mm
Ø 4.3/8"

Ø 92 mm
Ø 3.5/8"

Ø 92 mm
Ø 3.5/8"

93 mm
3.5/8"
