PRODUCT DESCRIPTION

Designer: Bent Karlby

LYFA Mosaik Wall Light

The Mosaik wall light by LYFA is a sophisticated yet playful design that demonstrates the practicalities and beauty of a classic conical lampshade. The wide beam of directed light brings a functional element to the design as it can be used as a task light or to brighten up a dark hallway with ease. Available in a black or white finish, the Mosaik wall light features eye-catching brass detailing that is not only highlighted by the contrast with white and black but is also highlighted by the opening at the top of the shade. A small circular opening allows for a slither of light to escape and illuminate the brass features. This small addition demonstrates the thought and care that went into the design of the Mosaik wall light.

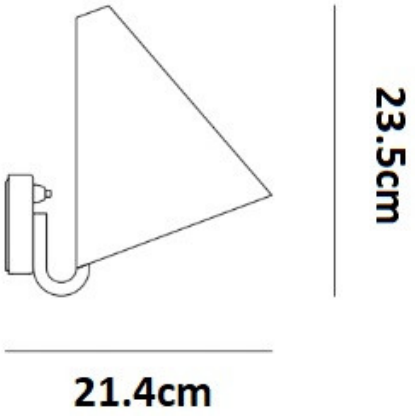

PRODUCT SPECIFICATION

Light Source: 1 x Max 40W E27 (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Height: 23.5cm
Depth from Wall: 21.4cm
