PRODUCT DESCRIPTION

Designer: Joana Bover

Bover Nans S Outdoor LED Pendant Light

The designer, Joana Bover, wanted to take the signature weaved material featured across the Bover brand and apply new colours for a fresh and contemporary look. The Nans S outdoor pendant showcases this exploration, being the true essence of Mediterranean style with an organic aesthetic. The pendant light is aptly names after the Cala Nans cove in Cadaquès, an untamed and natural place that is only accessible by sea and footpaths.

The Nans S outdoor pendant lamp is available in three finishes, red, brown or beige and is available in four sizes, Nans S/16, Nans S/21, Nans S/31 or Nans S/31.2. The pendant provides a warm diffused glow that also directs downwards, perfect for dining spaces in gardens, patios and terraces.
