Bover Nans S/16/H LED Outdoor Pendant Light

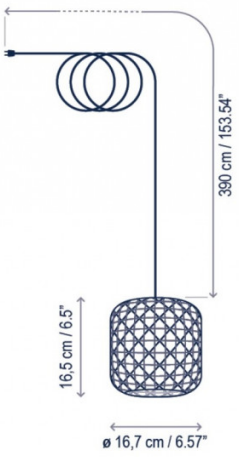

The Nans S/16/H pendant is an outdoor light, designed by Joana Bover. Named after the beautiful Cala Nans cove in Cadaquès, this pendant light embodies the untamed and organic landscape with a true Mediterranean style achieved by the woven fibre lampshade.

The Nans S/16/H pendant lamp comes with a 390cm cable which you can use to wind around beams or manipulate how you want for a bohemian aesthetic. Available in a red, brown or beige colour finish, this pendant provides a diffused illumination that also directs downwards, perfect for hanging over tables and surfaces. Use outdoors in terraces, patios, gardens and more in homes or professional spaces.

This pendant lamp needs to be installed near a socket.
