Kira A/01 LED Wall Light by Bover

Designed by Danos Salgados, the Kira Wall Light consists of a box frame that is lit up by an integrated LED light source. The subtle white finish of this lamp guarantees a soft and ambient glow, perfect for rooms where you need to create a cosy atmosphere.

Primarily designed for use in bedrooms, the Kira wall lamp is wonderful as a bedside companion with ease of use at the forefront of design. The wall light is equipped with a dimmer switch on the front which steps in three light intensities so you can change the lighting in your space as you wish. The switch can also be configured to either be on the right or left side when you install. A stylish and modern take on a bedside lamp.
