PRODUCT DESCRIPTION

Luxembourg Outdoor Wall Light by Nordlux

The Luxembourg wall light features a classic silhouette, having a glass round diffuser and a curved metal structure. The light bulb sits exposed in the glass shade, being reminiscent of old lanterns and streetlights. The shade then becomes a glowing beacon when switched on, lighting up dark outdoor areas.

The Luxembourg wall lamp is available in a copper, rusty steel, black or galvanised steel colour finish and is suitable for outdoor use. Use this wall light as a lovely welcome home light in front of your doorway or use on your patio to keep the party going late into the night.
