## PRODUCT DESCRIPTION

### Luxembourg Outdoor Pendant Light by Nordlux

The Luxembourg pendant lamp is a beautiful light, featuring a classic silhouette and a rustic feel. The shade consists of a metal structure with a wide circular top and a glass diffuser which sits beneath. The glass diffuser then exposes the light bulb to create a cosy atmosphere and effective glow.

The Luxembourg pendant light comes in a stunning rusty steel finish and is suitable for outdoor use. The pendant is best used in terraces, patios and wendy houses to provide needed light as the night draws in.
