PRODUCT DESCRIPTION

Grant Triple Ceiling Light by Nordlux

The Grant triple ceiling lamp features three beautiful round opal glass lampshades, held elegantly by a metal structure. The simple and refined design of the ceiling light showcases the best of Scandinavian design, which puts simplicity and functionality at the forefront of manufacturing.

The delightful glass globe shades act to conceal the light bulbs and create a warm diffusion, being wonderful as a main light in spaces. The ceiling lamp is a modern alternative to a pendant light, taking up less space and producing an effective illumination. Available in black or brass, the Grant triple ceiling light will add a touch of class to any interior.
