PRODUCT DESCRIPTION

Designer: Arihiro Miyake

Nemo Lighting Drop 9 LED Suspension

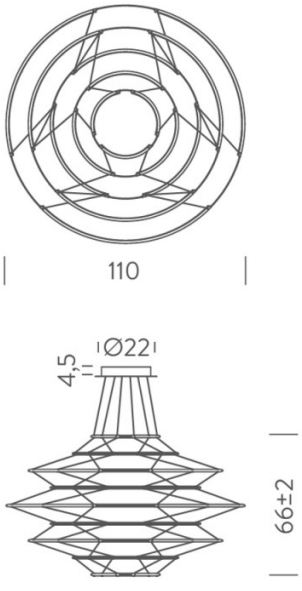

The Nemo Drop 9 Suspension is the largest piece in the **Drop Collection**. Designed by Arihiro Miyake, the Drop 9 is characterised by its clean, geometric silhouette, comprised of 9 concentric rings. Each ring and connector is linked through a miniaturised connection, maintaining the suspension's clean lines and uncluttered design. The slim aluminium structure is available in three luxurious finishes, resulting in a sophisticated luminaire that suits contemporary spaces.

When illuminated, linear LEDs cast an even spread of diffused light, creating a comfortable atmosphere. This functional lighting makes it suitable for use above a table or work surface, perfect for office spaces. The Drop 9's sculptural appearance and generous size can also add a striking focal point to entrance halls, stairwells, and hotel lobbies. Its lightweight appearance maintains visual clarity, adding a striking addition to a room without overwhelming the space.

The Drop 9 is also available with TRIAC, 1-10, or Casambi dimming. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	90W, 2700K, 2277 Lumens
IP Code:	20
Dimming:	Dimmable via Dali/ Push to make dimming. Please consult your electrician, additional wiring may be required on site.
Dimensions:	Height: 65cm Ø110cm Cable Length: 250cm
