PRODUCT DESCRIPTION

Designer: Miguel Milá

Santa & Cole Cesta Exterior Table Lamp

The Cesta Exterior is inspired by traditional lanterns used on the coast to illuminate the homes and beaches with a gentle and warming light. This new outdoor version of the Cesta table lamp features a simple and elegant black or olive green metallic frame that allows you to carry this lantern and place it wherever light is needed. The opal white lampshade beautifully diffuses light to create a glare-free, indirect, and soft light that will provide a calming atmosphere indoors or out.

With an integrated on/off switch underneath the shade, this Santa & Cole Exterior light stays simple whilst also bringing a lighting solution to your indoor and outdoor spaces. The Cesta Exterior is the newest addition to the iconic Miguel Mila collection and demonstrates the versatility of the Cesta design.
