PRODUCT DESCRIPTION

Designer: Jonas Wagell

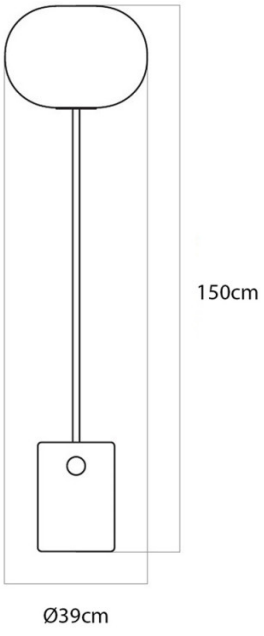

Audo Copenhagen JWDA Floor Lamp

Designed by Jonas Wagell, the Audo Copenhagen JWDA Floor Lamp features a beautiful combination of materials to produce a timeless and elegant lighting design. The design consists of an opal glass elliptical lampshade, which is paired with a brass stem and a heavy stone base crafted from either travertine or marble. The contrasts between the three materials work together gorgeously, producing a luxurious and eye-catching aesthetic while providing glare-free illumination.

Like the rest of the **Audo Copenhagen JWDA Collection**, the JWDA Floor Lamp is inspired by a traditional oil lamp, featuring a dimmer switch knob on the base in recognition of the classic lamps. The JWDA Floor Lamp comes in either a beige travertine, white marble, or red Verona travertine finish, which are paired with bronzed brass or brushed brass. Use the JWDA floor as a stunning atmospheric light that produces a warm yet effective glow.

PRODUCT SPECIFICATION

Light Source:	1 x Max 8W E27 LED (Included)
IP Code:	20
Dimming:	Integrated dimmer on the product.
Dimensions:	Shade: Ø39cm Height: 150cm Base: Ø28cm Cable Length: 250cm
