HAY LBM LED Table Lamp

The LBM Table Lamp design was inspired by Luis Barragán Morfín, a Mexican architect who is regarded as the most prominent figure in modern Mexican architecture. The LBM echoes Luis Barragán Morfín's use of geometry, colour, and light to create a sense of dimension. The lamp's monolithic frame is crafted from thin planes of vertical sheet steel for a sculptural presence that maintains visual lightness. This artistic quality makes the LBM appealing both when in use and switched off.

Available in a range of bold finishes, the LBM Table Lamp adds a playful personality and splash of colour to any interior. The integrated LED is controlled by a 3-step dimmer on the cable, allowing users to adjust light intensity to suit any mood. The soft, glare-free downlight bathes the structure in light for a subtle gradient effect that creates a calming and comfortable atmosphere. With a clean and uncluttered design, the LBM Table Lamp slips seamlessly into a range of design schemes in both residential and commercial interiors.

PRODUCT SPECIFICATION

Light Source:	8W, 2800K, 360 Lumens
IP Code:	20
Dimming:	In-line Dimmer included on cable.
Dimensions:	Height: 22cm Width: 22.5cm Depth: 10.5cm Cable Length: 200cm
