KDLN Poise LED Floor Lamp

Designed by Robert Dabi, the Poise Floor Lamp is part of the KDLN **Poise Collection**, a series defined by its interactive and innovative design. The lamp features a slim circular shade with an integrated LED light source, creating a striking band of illumination. Its flexible structure allows the shade to be moved into a variety of positions, producing a distinctive flow of light that can be tailored to any interior.

Finished in sleek black metal, the Poise Floor Lamp complements a wide range of interiors and design schemes. Suitable for both large and small spaces, it works beautifully beside a sofa or as accent lighting in a corner. With its dimming capabilities, the lamp also allows you to create the perfect ambience for your space.
