PRODUCT DESCRIPTION

HAY Common Table Lamp

The Common table lamp by HAY is a simple design with a classic archetype. This minimalist design features a classic rice paper lantern design atop a slim stem and base. This harmonious pair enhances the features and characteristics of each element. The juxtaposition of the sturdy steel heavy base against the light and airy rice paper shade emphasises the beauty and detail of each material and design.

The rice paper lanterns are available in two sizes, Oblong and Peach. Both of which emit a soft and tranquil light that is beautifully diffused to create a calming atmosphere. Whilst the base is available in four finishes, soft black with steel base, soft black with terrazzo base, grey with terrazzo base, and a signal red steel base. An idea addition to a living space or bedroom to bring a calming touch to your home.
