PRODUCT DESCRIPTION

Designer: Thomas Bentzen

Muuto Linear Steel Bar Stool

The Muuto Linear Steel Bar Stool brings a new function to the Linear Steel collection as well as your outdoor space. Both elegant and practical, the new Linear Steel Bar Stool is a sophisticated design available in an array of colour finishes. With five Scandinavian-inspired finishes: black, dark green, burnt orange, grey, and pale blue and two sizes, this sleek chair can suit any outdoor style and season.

The sturdy material used to create these bar stool style chairs is durable and long lasting due to the weather and UV-resistant matte powder-coated galvanized steel. With subtle grooves built in to let the rain easily drain off to keep your chairs dry. This refined detailing makes the chairs ideal for plenty of use for years to come.
