PRODUCT DESCRIPTION

**Designer:** Edward Barber & Jay Osgerby

Bellhop Wall Up by Flos

The latest addition to the Bellhop collection, the Bellhop Wall Up was designed by Edward Barber and Jay Osgerby. The Wall Up provides an indirect warm white light emission and can be installed facing upwards or downwards. Available in the same colourful options as the Bellhop Portable, white, grey, grey blue, brick red, cioko and yellow. The Bellhop Wall Up brings a touch of colour into any space. Its IP 44 rating, allows you to install it in both indoor and outdoor (protected) areas.

Flos Bellhop Wall Up is a future-proof luminaire, designed via the Flos For Future initiative, and can be disassembled and recycled separately. The LED light source has a 50.000 hours lifetime and can be replaced (by a professional) after that.

Discover the Bellhop collection and find the perfect light for your space.
