PRODUCT DESCRIPTION

Designer: Guillaume Bloget

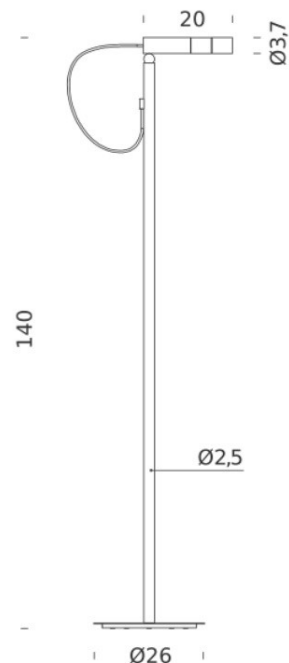

Nemo Lighting Type LED Floor Lamp

This sophisticated floor lamp uses its highly adaptable lamp shade to create a dynamic and minimalist task light. The long aluminium stem can rotate as well as the light source itself. This allows you to direct the LED spotlight to wherever it is needed. Such as, in a home office or study as well as in reading nooks and living spaces.

The sleek black design allows this lamp to be placed anywhere in your home or workspace. The ingenious dimming system includes a rotational magnet, zoom and dim control on the lamp that gives you precise control over the light output and beam.
