Nordlux Ara To-Go Portable LED Lamp

Small but powerful, the Ara To-Go Portable LED Lamp is is perfect for illuminating warm summer nights on your balcony or terrace. This lamp is easy to transport thanks to the soft leather handle and can be placed wherever you need it. Thanks to the IP54 classification, the Ara To-Go is a great addition to your outdoor space.

This portable lamp produces a soft but functional downward light from underneath the shade, producing a 360° light around the base of the lamp, making it the perfect choice for an outdoor table where you are hosting guests. The built in Moodmaker™ dimmer allows you to personalise the ambience this lamp offers, with a three step dimming system. You can choose between three light intensities: 20%, 50% or 100%. With a fourth tap you can completely turn the lamp off.

The Ara To-Go offers up to 80 hours of battery life, with a charging time of 4.5 hours, via the charging cable provided.
