PRODUCT DESCRIPTION

Designer: Maria Berntsen

Design For The People Stay 3-Spot Pendant

Designed by Maria Bernsten, the Stay 3-Spot Pendant is a beautiful modern centrepiece that immediately adds character into any room. The matte surface keeps the design minimal and sleek, and helps it to fit into almost any contemporary interior. The luminaire is height adjustable during installation and has a maximum drop of 300cm. The three shades all include a diffuser on the top as well as the bottom, meaning the light source is emitted both upwards and down - ensuring an even glow across your room.

The Stay Pendant is a beautiful addition to any room but has an exceptional impact above dining tables and coffee tables, with its unique design sure to become a conversation starter. The soft light emitted is perfect for relaxing night in the living room or cosy dinners with family and friends in your dining area.
