Design For The People Shapes Table Lamp

Danish designer Maria Bernsten has utilised an asymmetrical form and high quality materials to create the Shapes Table Lamp. A further addition to the Shapes collection, this table lamp was also inspired by elegant and exquisite jewellery, the contrast of the opal glass diffuser and the brass stem results in a beautiful and refined modern day design. The Shapes Table Lamp can effortlessly blend into almost any contemporary or more classic interior.

The diffuser emits a soft light that is perfect for spaces that are used for relaxing and unwinding after a long day. A staple next to your sofa in the living room, on a set of drawers in your bedroom or a side table in your dining area. Alternatively, this lamp can also work for modern spaces, it provides a perfect amount of ambient light to restaurants, hotel rooms or bars.
