HAY Matin LED Floor Lamp

An evolution of the much-loved Matin collection, the Matin Floor Lamp by Inga Sempé pairs delicate detailing with modern lighting technology. The design reflects Sempé's fascination with pleated forms and her refined approach to colour, resulting in a piece that feels both distinctive and functional. A fabric shade diffuser sits on a brass steel frame, creating an elegant yet sturdy silhouette, while the matt black detailing adds a contemporary finishing touch.

The integrated LED emits a warm light, softly diffused through the cotton shade to create a calm, atmospheric glow that is ideal for mood lighting. An in-line dimmer on the cable makes it easy to personalise the brightness to suit your space and needs. Designed for long-lasting performance, the HAY Matin LED Floor Lamp offers a lifespan of at least 25,000 hours.
