Mile Washer Down Outdoor LED Wall Light by Flos

**Brand new in original packaging,
1 x White - 2700K available**

Designed by Antonio Citterio, the Mile washer down wall light is a simple, cuboid light that can be used for both homes and commercial settings. The wall light has a 65 IP rating that can be used indoors and outdoors and has an integrated LED light source which is directed downwards, providing a steady and effective glow.

The Mile washer down LED wall lamp is available with the choice of 2 sizes, the smaller Mile 1 and the larger Mile 2 and two colour temperatures, 2700K (warmest white) or 3000K (warm white). The wall lamp is also available in 7 colours, white, black, grey, anthracite, forest green, deep brown and primer. The primer finish allows you to paint the light a colour of your choosing, being perfect for blending into the wall or if you want to add a splash of vibrant colour! A wonderful light that will suit all your needs.

This light is dimmable upon request. Please [contact us](#) for more information.
