Muuto Oslo Lounge Chair with Swivel Base

Commenting on the design, Anderssen & Voll say that "we wanted to create a chair with an embracing comfort yet paired with a light and airy appearance". Wanting to bring in a modern perspective to the traditional lounge chair, the Oslo is characterised by contemporary lines and airy curves. With a deep seat and comfortable curvy back the Oslo Lounge blends comfort and elegance. The powder-coated swivel base adds to its dynamic feel and flexibility.

Oslo Lounge can be upholstered in all available fabrics from Kvadrat; including the Rime, Fiord, Steelcut, Steelcut Trio, Clara, Hallingdal and more. The swivel base is available in black or grey. Ideal for use in residential spaces, in the living room or office as well as in commercial settings for lobbies and meeting rooms.
