Aromas Del Campo Nano Portable LED Lamp

Aromas Nano Portable LED Table Lamp is an elegant way to illuminate exterior settings. Designed by Agus Gascón in 2020, the Nano LED Portable combines a marble base with an opal glass diffuser, with a golden metal handle that allows you to manoeuvre the lamp from room to room. The natural materials combine classic and contemporary, making the Nano ideal for a range of styles. The Aromas Del Campo Nano Portable hosts an integrated touch dimmer, which allows you to personalise the ambience in your room through three different light intensities.

A gorgeous addition to your garden or al fresco dining area, Aromas Nano Portable can cater to a wide variety of needs. This portable LED Lamp provides a minimum 5 hours of usage before the battery requires recharging. Included is a USB charging cable, which makes charging your Nano quick and easy.

Battery life:
5 hours on full intensity
10 hours on middle intensity
20 hours on lowest intensity
