Aromas Del Campo Level Pendant

The Aromas Del Campo Level Pendant is the definition of elegance, providing beautiful decorative lighting for a range of interiors. The two elegant glass diffusers are connected to a circular geometric frame, the precise placement of these shades evokes a sense of balance and the spheres almost appear to float. In harmony with the minimalist metal ring structure, this pendant lamp will look perfect in a variety of settings.

This minimalistic design by Pepe Fornas offers two size options, with a choice between either a black or aged gold finish. Aromas Level Pendant offers further personalisation as it allows you to mix and match the shade colours too; offering either an opal shade, or a striped shade in either a clear or smoked glass finish. Level is guaranteed to be a conversation starter; broadcast it in your living areas, kitchen space, above your staircase or even in commercial settings. Aromas Level can help to elevate a wide range of shared spaces in the hospitality, retail and healthy and wellness sector.
