PRODUCT DESCRIPTION

Designer: AC Studio

Aromas Del Campo LED Clock Wall Light

The Aromas Del Campo Clock LED Wall Light is a timeless lighting solution in the most literal of senses, a pleasingly straightforward yet impactful piece. The design is simplistic, providing a straight line that can be installed horizontally or vertically on the wall, with an integrated LED light strip. The LED light source emits a functional glow, which reflects on the wall to provide an indirect illumination in your room.

The Aromas Clock is crafted from steel, available in a matte black finish it combines sturdy materials with an attractive design - this wall light is unique and suitable for a range of environments. You can broadcast Clock in hallways, bedrooms and modern living rooms thanks to its versatility. Aromas Clock can be displayed individually in residential spaces or grouped together to provide more illumination and create a statement piece in larger commercial settings.
