PRODUCT DESCRIPTION

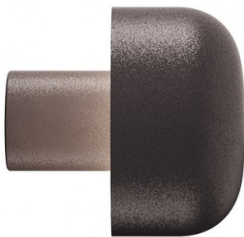

Bellhop LED Wall Light by Flos

Brand new in original packaging
1 x Deep Brown (3000K) available

The Bellhop collection now includes the wall light, available in 5 colour options. Designed by Edward Barber & Jay Osgerby, the Bellhop can be installed all around the house and the garden with an IP rating of 65. The wide colour choice allows you to choose a finish that matches perfectly with your interior or exterior decor and colours. The aluminium and stainless steel structure renders it ideal for outdoor settings, while at the same time the diffused light adds warmth to your home.

The Bellhop LED wall light by Flos is available in a choice between three colour temperatures from 2700K (warmest white), to 3000K (warm white) or 4000K (cool white).

The Bellhop wall lamp is also available in a dimmable version, using either 1-10V or Dali dimming systems, upon request. Please [contact us](#) for further information and pricing.
