Bover Bol A/01 LED Wall Light

The Bover Bol A/01 Wall Light was designed by Estudio Manel Molina for Bover in 2022 and is characterised by its rounded metal shade that perches atop a slender t-shaped structure. Bover makes it their mission to create timeless lighting products that proudly display the essence of fine Spanish design, combined with the latest technology. This lightweight wall light portrays a charming personality and creates a diffused light for your space.

The LED light source is projected through the bottom of the shade as well as a diffuser on the top, allowing for more light to escape and for an even dispersion to be emitted. The Bover Bol LED Wall Light can adapt to a multitude of environments; whether in your hallway, kitchen, bedroom or office the Bol Wall Light is guaranteed to grant you with a calming atmosphere. Bol can be easily dimmed using Triac dimming, allowing you to further personalise your environment, making this wall light multi-functional - perfect for work and relaxation.
