PRODUCT DESCRIPTION

a-emotional light Clara LED Floor Lamp

The a-emotional light Clara LED Floor Lamp is a larger variation of the **Clara Table Lamp**. Clara is a tribute to Clara Campoamor, a lawyer, writer, politician, and defender of Spanish women's rights throughout the late 19th and 20th centuries. This contemporary floor lamp is hand-made in Spain from stainless steel mesh and is just as beautiful when turned off as it is when illuminated. The a-emotional light Clara Floor Lamp functions as an eye-catching piece of art in your space as well as a lighting solution.

The Clara Floor Lamp boasts a curved silhouette which encapsulates the integrated LED light source. The LEDs project functional illumination across your room, with the texture of the mesh shade creating a beautiful play of shadows which are projected onto the surrounding floor and walls. This floor lamp can easily adapt to almost any contemporary interior, guaranteed to become a conversation starter in both residential and commercial locations.
