PRODUCT DESCRIPTION

Astro Obscura Round LED Recessed Light

The Astro Obscura Round Recessed Light is a modern design, equipped with a powerful and long-life LED that emits warm white light. Primarily designed for use in bathrooms, the Obscura is rated IP65 and is able to withstand damp environments such as over a shower or in a wet room. This compact LED spotlight provides ambient down lighting through a clear glass diffuser and is designed to be recessed within a ceiling. This simplistic style combines bright sparkling LED light and a modern crisp white finish which is a perfect lighting solution for contemporary bathrooms.

Made from aluminium which is 100% recyclable the Obscura is a high-quality, robust downlight and is supplied with Astro's 3-year guarantee. Recommended for bathroom zones 1, 2 and 3, the Obscura downlight is Class III - low voltage for your safety. Tested for use in 90-minute fire-rated ceilings.

The Astro Obscura requires a cut-out diameter of 7cm and a recess depth of 15cm.

Please Note: The Astro Obscura is fire-rated.
