Caboche Plus LED Ceiling Lamp by Foscarini

**Brand New, boxed in original packaging.
1 x Transparent**

Designed by Patricia Urquiola and Eliana Gerotto, the Caboche Plus ceiling light is part of the [Foscarini Caboche collection](#), a range that saw its beginnings in 2005. Wanting to design a lamp that was as charming and alluring as a pearl bracelet, the designers have made a series of lights that each have a gorgeous lampshade made from crystal-like spheres that glitter and amaze.

Now with an integrated LED, the Caboche Plus ceiling lamp builds on the previous ceiling application with a long-lasting and effective glow that is functional for many spaces. Use in lounges, bedrooms, offices and more in homes and commercial settings.
