Designed by Emo Design, the Turny table lamp is a rechargeable and portable light, perfect for use in many settings. When fully charged the lamp lasts for 6 hours when on at 100% and for 11 hours when on at 50%.

The Turny table light was made for hotels and restaurants in mind but can also be used in homes and private spaces because of its versatility and chic design. Also use on patios, gardens or terraces to provide a beautiful illumination as the night draws in.
