Gubi Seine Portable Lamp

The Gubi Seine Portable Lamp reimagines the classic lantern for modern living, blending timeless aesthetics with contemporary functionality. Designed by Space Copenhagen, this portable light is inspired by the dynamic interplay between light and water, translating these natural elements into a sculptural lighting solution. The mouth-blown, sandblasted glass shade emits a soft, rippling glow, while the antique brass base adds a touch of vintage elegance.

Equipped with a 3-step touch dimmer, the Seine Portable Lamp offers personalised lighting options, perfect for creating ambient settings. Its ergonomic design makes it easy to carry, while its rechargeable battery provides up to 60 hours of light at the lowest brightness. Whether used as a dining centrepiece, a bedside companion, this portable lamp combines craftsmanship and versatility to elevate any space.

Battery Life:
50-60 hours at 10%
12–14 hours at 50%
Up to seven hours at full brightness.

Charging Time: 8 hours
