PRODUCT DESCRIPTION

Designer: Ionna Vautrin

Foscarini Chouchin 3 LED Pendant

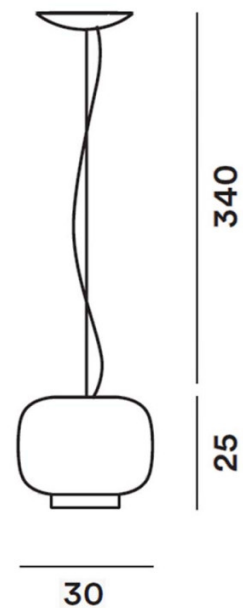

**Brand New, boxed in original packaging.
1 x Grey Available.**

The Foscarini Chouchin 3 LED Pendant was designed by Ionna Vautrin, who was inspired by Japanese lanterns when developing the design. Her impressive reinterpretation in a clever retro look combines tradition with modernity.

Chouchin plays on the visual contrast between the painted and white blown glass, combined with different shapes and colours, which is also ideal for multiple compositions. A particular shade of grey distinguishes the Chouchin 3 suspension lamp, which is the most compact in the Chouchin family. Direct lighting makes the Chouchin 3 LED pendant luminaire an ideal light source for dining tables, counters or bars.
