PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster and Punch Caged Wet Large Wall Light

The Caged Wet Large Wall light from Buster and Punch consists of a matt black metal frame surrounding an elegant tubular bulb, with 3 coloured backgrounds to choose from; either brass, steel, or gun metal. Now encased in Polycarbonate and with an IP rating of 44, this product is eligible for use in bathrooms, poolside spaces, spas, and sauna environments.

The **Caged Collection** by Buster and Punch was designed by founder Masimo Minale, and was inspired by the London skyline and Minale's work as an architect. This collection can be displayed throughout any household, creating a consistent style and look. The Buster and Punch LED bulb used within the cage uses only 1/50th of the energy of conventional light bulbs. Caged Wet emits a warm and inviting illumination, perfect for areas of relaxation.
