Oluce Dora LED Table Lamp

The Oluce Dora LED Table Lamp, designed by Angeletti Ruzza in 2023, reimagines traditional lighting with a modern touch. The design contrasts a warm glass diffuser, available in either a vibrant red or smoked finish, with a sleek metal body in satin gold or satin black nickel. This elegant combination creates a timeless aesthetic that bridges the gap between classical and contemporary styles. The glass cap lampshade emits a soft, directed light, ideal for creating a cosy and inviting atmosphere.

Perfect for use on bedside tables, coffee tables, or desks, the Dora Table Lamp is both stylish and functional. Its thoughtful design includes a dimmer switch located on the cable, allowing for adjustable lighting to suit any mood or setting. Whether in a retro-inspired room or a minimalist modern interior, this lamp adds a refined touch to your space.
