Hay X Liberty Martin Table Lamp

Hay X Liberty Matin Table Lamp, designed by Inga Sempé, is a mixture of Matin's classic pleated shade construct and Liberty's distinctive floral print fabric to create a contemporary and delicate expression to most rooms. These unique lamps come with a polished brass stem and base for an elegant feel. The X Liberty Matin lamp is available in 2 sizes, the 300 and 380. There are 5 sophisticated floral colour patterns to choose from to match your decor.

The Matin Collection is one of Hay's most successful lamp collections since they launched in 2018. This collaborative release pairs the adventurous liberty prints with the classic Matin Shade to create a fun and stylish lamp.
